

## LIFEBOOK E8310 / E8410 Your expert without compromises

The LIFEBOOK E Series follows a simple philosophy: only the best will do. It is the perfect choice for the performance orientated office user: get latest technology to turn any work into a pleasant experience. The result is mobile performance powerful as desktops.

Its flexible design allows configuring the system exactly the way you like it. Top performance with only 2.5kg makes it one of the lightest notebooks in its class. The comprehensive security features like separate SmartCard reader make your sensible data safe and secure.

There's embedded UMTS/HSUPA, WLAN and Bluetooth for perfect connectivity – anytime, anywhere!

### Elegance

Designed for the most demanding mobile users, LIFEBOOKs are the perfect synthesis of form, function and style.

- Modular bay fitting an extra drive or battery for more flexibility
- Dual pointing devices with second set of mouse buttons: Touchpad and touchstick (optional) for ergonomic working

### Ergonomics

- Enjoy the viewing quality of brilliant TFT displays and graphics:
- Comfort with full sized keyboard
- Port Replicator optionally available for simple connection to all your peripherals

### Connectivity

- Highest connectivity with embedded UMTS/HSUPA
- Bluetooth, Wireless LAN optional integrated
- Long lasting battery for independent working with first and second battery

### Reliability

- Hard disk drive ShockSensor minimizes data loss and guarantees a higher reliability of your data
- Spill-proof keyboard offers protection against system damage

### Manageability

- Integrate the bundled system management software DeskView Admin in every common IT infrastructure
- Seamless integration in heterogeneous enterprise management systems
- Enhanced manageability with Intel Centrino Pro Technology with LIFEBOOK E8410

### Security

- Trusted platform module (TPM 1.2) provides more secure applications and makes transitions safe
- Maximum of security for the own data with integrated fingerprint<sup>1</sup> sensor and SmartCase™ Logon+ security software
